

**PROFESSIONAL EXPERIENCE The Derryfield**

**School Manchester, NH** Athletic Trainer / Assistant

Athletic Director 1999 - present

Provide leadership and coordination among all athletic programs. Managing transportation, uniforms and equipment for the community. I conduct First Aid and CPR certification classes for faculty, coaching staff and student body. Plan, direct, and conduct in-season and where appropriate any permissible non-traditional and post-season team and individual athlete strength and conditioning training program. Design performance program for individual athletes and for specific team needs, and teach proper skills, skill development, and safety considerations for injury rehabilitation, strength and conditioning. Provide on-site coverage and make referrals for appropriate acute medical care. Ensure athlete safety and well being in all training sessions, conditioning activities, practice activities related. Evaluate, treat and assist in the rehabilitation of injuries to athletes. As appropriate, support the head coaches in counseling and advising student athletes about plans for setting goals, academic success, medical eligibility, appropriate social conduct and other life skills topics, as well as other personal and sport related issues. Attend and participate in appropriate national or regional professional development and continuing education clinics and/or conventions to improve and increase overall knowledge of athletic training and strength and conditioning techniques and practices. Attend all scheduled staff meetings. Complete various assigned reports, requests and submit to immediate supervisor in a timely manner. Meet annually with immediate supervisors and/or the Director to review student athlete and administrative evaluations, and establish personal and professional goals and objectives for the following year.
